PLANNING TO TRANSFER TO A FOUR-YEAR SCHOOL? **STARS** IS FOR YOU!

STARS stands for Statewide Transfer & Articulation Reporting System. STARS is a web-accessible database system which provides guidance and direction for prospective transfer students in the State of Alabama. The STARS System allows public two-year students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. This guide/agreement, if used correctly, guides the student through their first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama. Although transfer guides/agreements can only be printed for two-year to four-year transfers, the STARS system can still provide guidance and direction to transfer students who have a different transfer situation. The Alabama Articulation and General Studies Committee (AGSC) is responsible for the oversight and monitoring of the STARS System. The information that students receive from the STARS System has been approved by the AGSC.

REACH THE STARS IN FOUR EASY STEPS!

STEP 1:

Access the AGSC/STARS home page at ...
http://stars.troy.edu
From the home page, Click on the STARS website.
From the STARS home page, click the button that looks like...

You should now select the option that best describes your current situation and click the "Submit Query" button.

STEP 2:

Enter your information:

E-mail Address (if available)

Name

Address

City, State, and Zip

Phone Number

Using the drop down menu, click the institution that you are Currently (or Plan on) attending and click the "SUB-MIT" button.

STEP 3:

Carefully check your information.
Using the drop down menu, select a major and click the "SUBMIT" button.

STEP 4:

Using the drop down menus, select the institutions you are most interested in transferring to.
Click the "Compile Guide" button to process your guide. Once the guide appears, use the scroll bar on the right side of your screen to view the guide. At the bottom of the guide you can use the links to access Transfer Assistance and Area V web pages of specific institutions which offer programs in the chosen major.

Print a copy of the guide for your records. KEEP THIS COPY ... YOU MAY NEED IT FOR VERIFICATION PURPOSES.

If you have any questions or need assistance, call 334-670-3690 or use the "Contact Us" button at the top of the page to email us.

Additional Transfer Information:

In order to obtain a complete transfer agreement, the student MUST also print the Area V page for the major from the institution to which the student plans to transfer. (NOTE: Some institutions are still in the process of building/updating their Area V pages for each of their majors. If you are unable to locate the additional Area V information from the receiving institution's transfer page, request the information from the institution's contact person. The contact page may be found here.)

All transfer students should:

- Print a copy of the guide for your use and verification purposes.
- ☑ Meet with your advisor to discuss the guide and the requirements listed. (There is no way the STARS System can tell you everything you need to know!)
- Obtain a new guide if you change majors.
- Read the entire guide and agreement carefully.
- ☑ Follow the instructions listed on the guide and in the agreement.
- Research institutions to which you plan to transfer (admissions requirements vary from institution to institution).

Improving Student Success in Online Classes

FREQUENTLY ASKED QUESTIONS

- Q: I'm a new student. What do I need to do to be admitted and enrolled?
- A: First, complete an application for admission and submit it by fax, mail, or in person, to the Office of Admissions and Records. In addition to an application for admission, freshman students are required to supply the College with an official copy of their high school transcript with the graduation date posted, GED certificate, ACT scores and/or official college transcripts mailed directly to the school. Transient students must submit an official transient letter.
- Q: I've heard I have to take a test before I can take classes at the College. Is that true?
- A: The College uses the COMPASS assessment to help you and your advisor identify your academic level. Call 205-391-2232 to schedule an appointment to take the COMPASS assessment.
- Q: Once I've been admitted can I take any class?
- A: That depends. Previous coursework and assessment scores determine which classes you are eligible to take. Many classes have prerequisite courses which must be taken prior to enrollment. Other classes are available only to students who have been admitted to a special program.
- Q: Do I have to get a student I.D. made?
- A: Any student enrolled at Shelton State, with the exception of a transient student, is required to have a student I.D. made. Transient students must provide a student I.D. from their home institution.
- Q: How do I get my grades?
- A: Grades are typically available through students' online accounts within two days after the last scheduled final exam. Grades are not mailed or given out over the telephone.
- Q: How do I get admitted to one of the health programs, such as Nursing, Respiratory Therapy, Emergency Medicine or Paramedic?
- A: There are a limited number of students admitted into these programs. Applicants must meet certain criteria to apply and are selected for admission based upon factors such as GPA, relevant courses completed, field experience, entrance exam scores, etc. Application packets contain detailed information and are available from the Counseling Center.

- **Q:** I have applied for financial aid and have received my Student Aid Report. What do I do next?
- A: Once you have applied for admission to the College, you should:
 - 1. Check with the Office of Financial Aid regarding your eligibility status.
 - 2. Enroll in required courses for your program.
 - 3. Maintain at least a "C" average.
- **Q:** Will I need to declare my program before receiving financial aid?
- A: Yes, one of the eligibility requirements is that you must be enrolled in a program leading toward a certificate or a degree.
- Q: What do I need to do if I want to change my program?
- A: If you are receiving a Pell Grant, you must check with the Office of Financial Aid before changing your program.
- Q: Do I have to be full time to receive financial aid?
- A: No, you do not have to be full time. However, your award will be based on your eligibility and your enrollment status.
- Q: How will I know how much financial aid I have been awarded?
- A: Once your file is complete, the Office of Financial Aid will send you an award letter.
- Q: For financial aid purposes, how long do I have to complete my program?
- A: You are allowed time and a half of the published length of your program of study (i.e., for a 65 credit hour program, time and a half is 98 credit hours).
- Q: What effect will withdrawing from class(es) have on my financial aid eligibility?
- A: Remember, you have time and a half to complete a program. However, excessive withdrawals or complete withdrawals will result in not meeting the quantitative standards of progress, thus making you ineligible for Pell Grant/Title IV aid.
- Q: What are Standard College Policies?
- A: This is an important document that students receive and sign for during the registration process. It provides a short statement of the most critically important College policies. Students will also receive a Course Syllabus for every course with policies specific to that course and that instructor.

ADMISSION TO SHELTON STATE COMMUNITY COLLEGE

Shelton State Community College is an open admissions institution. All students who have earned a high school diploma or GED are eligible for admission. In addition to an application for admission, students are required to supply the College with an official copy of their high school transcript with the graduation date posted or an official copy of their GED scores. Students transferring from another college must submit an official copy of their transcript(s) from each college they have attended. Transient students (visiting students) must submit a transient letter from their home institution stating the courses they will be allowed to take. A transient letter must be submitted to the College for each term the student attends Shelton State.

Students may be conditionally admitted for one semester without the above information. However, students will not be allowed to register for math or English courses without documentation of prerequisites or the appropriate COMPASS® score. Students must be prepared to provide this documentation at the time of registration. Also, students receiving federal financial aid must have a complete admissions file. Students who earned the Alabama Occupational Diploma, accelerated high school students, dually enrolled students, and students who graduated from non-accredited high schools may not be conditionally admitted. Please contact the Office of Admissions and Records for further information concerning these categories of students.

Instructions for Beginning Freshmen

- A. For an admissions file to be complete, high school graduates must have their high school send an official copy of their transcript with the graduation date posted, to the Office of Admissions and Records, Shelton State Community College, 9500 Old Greensboro Road, Box 190, Tuscaloosa, AL 35405. Students who have earned a GED must have their test center send an official copy of their GED scores to the Office of Admissions and Records.
- B. Students should make an appointment to take the COMPASS in the Counseling Center. After completing the COMPASS, students will be assigned to a S.T.A.R.T. Up Day. (Special Time for Advising, Registration, and Touring the Campus)
- C. Students who have official ACT or SAT score reports on file with the Assessment Coordinator and who have graduated within the last three years may be exempt from the placement assessment. The following ACT/SAT scores determine math or English placement:

CLASS	SAT Score	ACT Score
ENG 101	480	20
MTH 100	480	20
MTH 110/112	580	25
MTH 113/120	620	27
MTH 125	650	29

If students wish a higher math placement, they must take the appropriate portion of the COMPASS assessment.

D. Students who plan to transfer to a four-year institution in the state of Alabama should visit www.sheltonstate.edu and click the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a web-accessible database system that provides guidance and direction for prospective transfer students in the State of Alabama. The STARS System allows public two-year

students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. Print and keep this guide. If used correctly, it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama. Refer to the STARS page for more information.

E. It is important that students attend their assigned S.T.A.R.T. Up Day and arrive on time. During this assigned time, students will be advised and registered for college. Space in each S.T.A.R.T. Up Day session is limited. A student who cannot attend the assigned session should call at least three days in advance to reserve a space in the next available session. Students will not be permitted to attend a session without first reserving a space.

Assessment Information

Students should begin the admissions process as early as possible. To be assigned a S.T.A.R.T. Up Day, a student should have completed the COMPASS or in the case of an ACT or SAT exemption, contacted the Assessment Coordinator in the Counseling Center on or before on-site registration. Students beginning the application process after this date will register during the regular registration times.

Students must make an appointment to take the COMPASS. Appointments can be made by calling 205-391-2232. The COMPASS is given a variety of times, both day and night, and space is limited for each session. Students should plan to arrive 10 minutes before their scheduled time.

- An application for admission should be on file 24 hours prior to the scheduled assessment time.
- There is no charge for the initial COMPASS assessment. All materials for taking the COMPASS will be provided. There will be a charge for refests.
- Students must present a picture I.D. prior to taking the COMPASS.
- Calculators are allowed on the math portion of the COMPASS, if approved by ACT.
- Scores will be provided at the completion of COMPASS.
- Sample COMPASS questions may be obtained at the official ACT web site www.act.org
- Shelton State Community College is in compliance with the Americans with Disabilities Act. Students who feel they are entitled to accommodations should provide documentation to the Office of the Dean of Students.

Admission of International Students

International students must have a complete file prior to enrollment.

A Complete File Consists of:

- 1) An Application for Admission
- 2) A Documented TOEFL Score of 500 (on paper) or 173 (on computer), or 61 (internet based).
- 3) Financial Support Documentation
- 4) A Translated College or High School Transcript
- Copy of Passport (I.D. and expiration date's pages)/Visa page
 Both sides of current USCIS Form I-94
- b. Previous USCIS I-20

REGISTRATION

SUMMER CLASSES BEGIN MAY 30, 2008

The policy at Shelton State is for students to attend every class for which they are registered. Instruction begins the first day of class. Regular class attendance is important for student success. Attendance the first day of class assures that students receive essential information about the course policies. For students receiving Financial Aid, missing the first day of class jeopardizes eligibility for receiving funds.

A student who officially or unofficially withdraws from all classes before the first day of class will be refunded the total tuition and other institutional charges.

Dropping Classes (Partial Withdrawal)

Students will receive a 100% refund on all dropped classes as long as they have classes remaining on their schedule for either term within the semester as along as the class is dropped within its defined drop/add period as shown in the schedule of classes.

Complete Withdrawal

Once the drop/add period has ended for the full and first split terms, partial refunds will only be granted for a complete withdrawal of full and first split terms collectively. The amount of refund for the given term is defined in the printed schedule of classes for that particular class's term. For complete withdrawals, students who have full term and first split term classes must drop all classes for both terms in order to receive a refund. Students who have full term and first split term classes and drop a class or classes within either semester, and do not completely withdraw from all classes, will not receive any refund for that dropped class or classes if the class is dropped outside the defined drop/add period for the class or classes dropped.

Second Split Term

Students will receive a 100% refund on all dropped second split term classes if dropped prior to the first day of the second split term.

Dropping Classes (Partial Withdrawal)

Students who have a full term class and drop a second split term class within the scheduled second split term drop/add period will receive a 100% refund for that class. Students who have a full term class and drop a second split term class after the scheduled second split term drop/add period will not receive any refund for that dropped class.

Complete Withdrawal

If a student does not have a full term class, and even if the student had a first split term class that has ended, and the student withdraws from all second split term classes, the refund will be determined by the Complete Withdrawal policy as stated in the printed schedule of classes. Students who have a full term class and withdraw from all classes (full and second split term) after the scheduled second split term drop/add period will receive a partial refund for that second split term class only as defined in the complete withdrawal policy located in the Schedule of Classes.

Return of Title IV Financial Assistance

Federal Grant recipients who completely withdraw from the College prior to completing sixty percent (60%) of the enrollment period will owe a repayment to the U.S. Department of Education. Failure to attend class will result in a reduction or repayment of financial aid. Students enrolled in distance education classes must begin participation within five (5) days of the first day of class.

Definitions

Federal Grant Recipient

A student who receives one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), or Alabama Student Assistance Grant (ASAG) is defined as a Federal Grant Recipient.

Complete Withdrawal

The withdrawal date is the date that the student submits a completed withdrawal form (withdrawing from all classes) to the Office of Admissions and Records.

Sixty percent (60%) of Enrollment Period

For full term Summer 2008 classes, the 60% point is July 9, 2008; for first split term, June 17, 2008 and for second-split term, July 23, 2008. Students who withdraw from school on or before this date will owe a repayment. Students who withdraw after this date will not owe a repayment.

Repayment

The amount of repayment will be based upon a formula prescribed by law that considers the date of withdrawal and the amount of federal aid (excluding work study) received. Students who fail to repay the U. S. Department of Education will not be eligible to receive Federal Aid at Shelton State Community College or any other institution.

IMPORTANT INFORMATION

Failure to read this bulletin does not excuse students from the requirements and regulations described herein.

Withdrawal Policy

Students who wish to withdraw from a course or totally withdraw from school must officially withdraw on or before the date designated as the last day to withdraw for the semester. The last day to withdraw will be the Monday of the last full week of classes prior to the day final exams begin. There will be NO withdrawals after this date. The student will receive a grade of "W" regardless of the student's average at the time of the withdrawal; the grade of "W" will be recorded on the student's permanent record. Students who remain in the course after the last day to withdraw will receive the grade earned for the course.

Withdrawal through the online student portal is available until midnight of the designated last day for withdrawals and withdrawal in person is available until the close of business of the designated last day for withdrawals. No withdrawals will be taken over the telephone. An instructor's signature is not required. Failure to attend class does not constitute official withdrawal. If you experience difficulties contact the Office of Admissions and Records.

Last date to withdraw:

Full term July 28, 2008 First split term June 23, 2008 Second split term July 28, 2008

GET YOUR GRADES AFTER AUGUST 13TH

Online: www.sheltonstate.edu

To obtain grades, visit www.sheltonstate.edu and click on Access Student Online Account to reach the login page. Students must enter a Student Identification Number (I.D.) and a Password for access. Students who forget their Password may request it to be emailed to them at the email address that is on file in the Office of Admissions and Records. Otherwise, students must present a picture ID within the Office of Admissions and Records to obtain or change passwords. Passwords will not be given over the telephone. Grades are not mailed. It is the student's responsibility to check their grades. The College strongly recommends that this be done before the beginning of the next semester.

Standard College Policies

The Standard College Policies are the policies which apply to all classes at Shelton State Community College. These policies have been summarized from the Catalog and the Student Handbook; they provide the student with general information that will assist in understanding the expectations regarding enrollment, grading, attendance, student conduct, and other important topics. A copy of the Standard College Policies will be given to each student at the Information/Security Desk at the same time the student completes the vehicle registration/waiver process. The Standard College Policies are also available on the College website, www.sheltonstate.edu. It is important that the students retain this copy through the current semester, as it applies to every class in which they are enrolled.

Transfer of Courses:

College advisors are available to help students complete their schedules. However, it is the responsibility of the student to make sure they have satisfied all course prerequisites and to determine whether a course will be accepted at another institution. Students who plan to transfer to a four-year institution in the state of Alabama should visit www.sheltonstate.edu and click on the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a web-accessible database system which provides guidance and direction for prospective transfer students in the State of Alabama. The STARS System allows public two-year students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. Print and keep this guide. If used correctly, it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama.

Prerequisites:

Before students enroll in a course, they must satisfy all prerequisites. If they enroll in a course for which they have not fulfilled all prerequisites, they may not receive credit for that course and may be administratively withdrawn.

Class Cancellations/Room Changes:

Occasionally it is expedient that the College must cancel a class or make a room change. To the extent possible, these changes will occur before 11:00 a.m. on Thursday, May 29th, 2008. Students are required to verify their class schedules on the web after that time. Notifications of class cancellations will be emailed to each student at the email address assigned to the student by the college. Students affected by class cancellations should immediately attempt to register online for an alternate class or come to campus for assistance.

Although the publisher of the schedule has made every reasonable effort to attain factual accuracy herein, no responsibility is assumed for editorial, clerical, or printing errors, or errors occasioned by honest mistakes. ALL INFORMATION IN THIS SCHEDULE IS SUBJECT TO CHANGE BY SHELTON STATE WITHOUT PRIOR NOTICE.

It is the official policy of the Alabama Department of Postsecondary institutions under the control of the State Board of Education, that no person in Alabama shall, on the grounds of race, color, disability, sex, religion, creed, national origin, or age, be excluded from participation in, be denied the benefits of, or shall be subjected to discrimination under any program, activity or employment.

Shelton State Community College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award the Associate in Arts, Associate in Science, and the Associate in Applied Science degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Shelton State Community College.

DREAMS FULFILLED HERE

Whether strengthening your mind or body, Shelton State offers the facilities and knowledgeable staff to assist students in reaching their goals.

BROOKS - CORK AND LEWIS LIBRARIES

Today's students are learning that information is power. The Shelton State libraries specialize in offering the quick and reliable access that students need to succeed. In addition to 40,000 books, 400 periodicals, and almost 3,500 audiovisual items, Shelton State's libraries offer access to thousands of resources via the Alabama Virtual Library and the Internet. Whether students are working on individual research papers or group projects, the college libraries offer silent study area, group study rooms, and an information common area equipped with computers and printers for research purposes. For more information, call 205-391-3925 (Martin Campus) or 205-391-2622 (Fredd Campus).

COUNSELING CENTER

The Counseling Center provides information and assistance to those who are considering applying for admission or enrolling at Shelton State Community College. The professionals in this office are also prepared to assist with academic advising, educational, career and life planning. Students who need support in planning for and coping with the stress of balancing college, work, and a personal life are encouraged to contact a counselor. For more information, call 205-391-2232.

CAREER ADVERTISING/ JOB PLACEMENT CENTER

In addition to a quality education, Shelton State offers result-oriented career assistance through the Job Placement Center. Beginning by taking career assessments such as DISCOVER by ACT, an individual student can focus on careers that match his or her abilities and values in the job market. The Shelton State Job Placement Center serves as a liaison for current students, alumni, and West Alabama businesses and industry. The Job Placement Center welcomes the opportunity to provide services and make a difference in the lives of currently enrolled students and alumni by providing employers with

qualified potential employees. Examples of services include: career assessment, career advising, wage information for cities across the country, industry trends, internship information, employer profiles, resume proofreading, on-campus interviews, current job-openings, resume posting, and career workshops hosted by local business and industry. For more information, call 205-391-2461 for Job Placement or 205-391-2204 for Career Advising.

OFFICE OF FINANCIAL AID

The College distributes financial resources to students each year in the form of tuition fee waivers, scholarships, and grants. For more information, call 205-391-2218.

SERVICES FOR STUDENTS WITH DISABILITIES

Students requesting learning assistance due to disabilities should contact the Office of the Disability Services at 205-391-3958.

SHELTON STATE BOOKSTORES

The Shelton State Bookstore is located in the Atrium on the first floor of the Martin Campus. There is also a bookstore located on the Fredd Campus. The Bookstore provides textbooks, instructional materials, supplies, and college-related novelties conveniently and at a reasonable price. The Bookstore offers buyback services at the end of each semester for students to get extra money for books they no longer need. For more information, call 205-391-2222.

DREAMS FULFILLED HERE

At Shelton State, education will reach beyond the classroom into a wide variety of clubs, organizations, and student activities. In addition to excellence in academics, Shelton State students achieve high levels of scholarship, leadership, teamwork, and service through extracurricular activities.

LEARNING CENTER AND CAREER CENTER

Sometimes a little extra effort outside the classroom can make all the difference. The Learning Center on the Martin Campus and the Career Center on the Fredd Campus offer students that little extra reinforcement they may need through tutorial services in many subjects. Computer labs are also available for students to use for research and class projects. For more information, call 205- 391-2975.

WELLNESS CENTER

Exercise is a great way to escape the stress of everyday life. The Wellness Center, one of the College's most popular areas, offers students of all ages the opportunity to get rid of stress, to meet and enjoy new friends, not to mention to get and stay in shape.

The Wellness Center offers a variety of health and physical education classes through non-credit and credit programs including a certificate program for students who want to become exercise instructors and personal trainers. As part of the curriculum, students have the opportunity to learn the basics of nutrition for disease prevention and exercise physiology. For additional information, call 205-391-2995.

STUDENT ORGANIZATIONS

More than fifteen different clubs and organizations exist for Shelton State students who want to be involved in college organizations. These groups represent a broad range of interests. Students may also form new organizations as specified in Shelton's Student Handbook. A new suite designed especially for use by Shelton State student organizations opened on the second floor of the Martin campus in the fall 2007. With meeting rooms, sitting areas and adjacent to "Cy-Bucs Internet Café," the student organization area provides a new and exciting center for campus life. Clubs currently active on campus include:

- Alumni Association
- Ambassadors
- Athletic Team Council
- Brass Ensemble
- Circle K
- Corsair Fencing Club
- Courier Student Newspaper
- Ecology Club
- Fellowship of Christian Athletes
- Forensics Team
- Jazz Band
- Phi Theta Kappa
- Shelton Singers
- Shelton State Association of Nursing Students
- Shelton State Association of Practical Nursing Students
- Student Action Team

For more information, contact the Assistant Dean of Students, 205-391-2223.

ATHLETICS

Shelton State Community College fields five athletic teams: baseball, softball, men's and women's basketball, and women's soccer. The College competes in Division I of the Alabama Community College Conference (ACCC) and the National Junior College Athletic Association (NJCCA). Shelton State Athletics consistently rank at the top of their division in all sports, most recently having won the 2003 and 2005 State Championship in men's basketball and the 2000 and 2002 State Championship in women's basketball. Additionally, Shelton State has a co-ed cheerleading squad and the Starlets Dance Team. For more information, call 205-391-2223.

DISTANCE EDUCATION

Distance Education is defined as a formal educational process in which the majority of the instruction occurs when the student and the instructor are not in the same place. Distance Education delivery provides more flexibility for students to schedule their learning around other responsibilities and takes advantage of opportunities for learning through internet mediated courses. Successful completion of Distance Education courses relies on the individual student's self-discipline and dedication to the course. Before enrolling in a distance education course, students should consult the Distance Education link on the college website, www.sheltonstate.edu, for more information.

DREAMS FULFILLED HERE

Shelton State continually strives to meet the growing training needs of the West Alabama area and the entire state.

CONTINUING EDUCATION

Shelton State Community College's Continuing Education program offers short term, non-credit courses to meet the changing skill and training needs of workers of all ages in the West Alabama area. A wide variety of courses are offered at affordable prices and convenient times. Skill training classes are all job specific and job preparatory with most courses lasting three months or less. Everyone is eligible for participation in Continuing Education courses as long as prerequisites are met. Classes range from professional development courses to industry specific skill training. Courses are provided for many professional careers that require continuing education to maintain licensing as well as training for employment in service areas. For more information, call 205-391-2386.

LAWRENCE "LARRY" MUND LIFELONG LEARNING CENTER

Shelton State Community College believes that learning continues throughout one's lifetime. The Lifelong Learning Center is designed to provide a variety of classes to Senior Adults, age 55 and older, in a convenient and relaxed environment. Academic, wellness, and personal interest courses are offered each semester. A complete listing of these courses is available each semester on the college website, www.sheltonstate.edu. For more information, call 205-391-2999.

TRAINING FOR EXISTING BUSINESS AND INDUSTRY (TEBI)

Shelton State Community College offers the West Alabama community a wide variety of services through Training for Existing Business and Industry (TEBI). Focusing on developing community and corporate partnerships, the division works closely with local business leaders to provide professional instruction that upgrades the skills needed in today's workplace. This department offers certified training in computer courses, Microsoft applications, industrial maintenance technology, customer service, leadership, supervision, and quality training. TEBI also offers WorkKeys® job profiling and assessments, organizational development consultation, and development of customized training courses for specific business needs. For more information, call 205-391-2434.

COMMUNITY EDUCATION

Community Education offers a wide variety of course at affordable prices and convenient times designed to meet the interest of the community in the area of leisure learning. Shelton State Community College takes the lead in providing courses of interest to the community. Personal interest programs include a wide variety of courses for people of all ages. Children's programs include ballet, jazz, modern dance, fencing and an academic enrichment program, Kids'

Kollege. A complete schedule of classes is available on the college website, <u>www.sheltonstate.edu</u>. Contact the Office of Community Education, 205-391-2323 for information or to request a schedule by mail.

WEST ALABAMA CENTER FOR WORKFORCE DEVELOPMENT

The West Alabama Center for Workforce Development was developed to ensure a coordinated effort between Shelton State Community College, business and industry, and all related workforce programs, and offers a connection to local industry and their job training needs. The Center provides all citizens who are in need of stable employment an opportunity to gain basic skills required in today's entry level workforce though pre-employment programs and assistance with upgrading math and reading skills. Ready to Work (RTW) provides basic skills to entry level workers through targeted instruction, including training in Computer Literacy, Applied Math, Reading for Information, Essential Workplace Skills, and other skills as identified by local business and industry as necessary for entry level jobs in their companies. As an authorized ACT WorkKeys Service Center in Alabama, the Office Center supplies certified WorkKeys® Job Profilers and extensive WorkKeys assessment capabilities. The eight WorkKeys skills assessments are: Reading for Information, Applied Mathematics, Listening, Writing, Teamwork, Applied Technology, Locating Information, and Observation. These eight skills can be benchmarked with ACT WorkKeys assessments. With the results from these assessments the Job Profiler can determine the employees' or potential employees' skill levels and where he/she needs to improve. With this information, the College prepares a customized training program for those specific skills where improvement is needed. For more information, call 205-391-2482.

ADULT EDUCATION PROGRAM

The Shelton State Community College Adult Education Program provides services to Bibb, Greene, Hale, Sumter, and Tuscaloosa counties. The Program operates under the direction of the Alabama Department of Postsecondary Education. Instruction is provided via traditional and online classes as well as through "telephone tutoring," GED preparation, and an official practice GED exam. Graduation exam help and skills remediation are offered in all five counties at no cost to students. In addition, English as a Second Language (ESL) classes, a bilingual outreach program, and Project Literacy United States (PLUS) tutoring are offered in Tuscaloosa County. Adult Education focuses on assisting adults in obtaining knowledge and skills for employment and self-sufficiency. Contact the Office of Adult Education, C.A. Fredd Campus, 205-391-2662 or toll free, 1-877-643-3272.

MODES OF INSTRUCTION

To better meet the needs of our growing and diverse student population, Shelton State Community College has expanded the class offerings to incorporate different modes of instruction. By selecting classes based on the mode of instruction, students can choose a learning environment that will best meet their needs.

Modes are located to the left of the course description in the schedule. The key below explains each mode of instruction.

- **CBI** Computer Based Instruction: A class with an instructor scheduled at a specific time in a computer classroom on campus. Instruction and assessment are delivered using a computer. Students are required to attend class on campus.
- **CAI** Computer Assisted Instruction: A class with an instructor scheduled at a specific time and location in a computer classroom on campus. Instruction and assessment are delivered with a combination of instructor lectures and computerized assessments. Students are required to attend class on campus.
- Blended: A class with an instructor that requires students to attend a designated number of classes on campus and complete activities and coursework online. Students are required to attend the designated classes on campus and participate in activities and complete coursework online. Access to a computer with high speed Internet capabilities is required.
- Online: A class that meets entirely online. Students are not required to come to campus. Students are required to take exams on campus or in an approved proctored environment. Access to a computer with high speed Internet capabilities is required.

Where a mode of instruction is not listed, the class is a traditional face-to-face class with an instructor scheduled at a specific time and location. Students are required to attend class on campus or specified location. The instructor may utilize online tools to enhance the teaching and learning process.
